How to Get to San Miguel de Allende

While San Miguel does not have an airport, there is a very good shuttle service to the two closest international airports: León/Guanajuato (BJX) and Queretaro (QRO). Both towns are about an hour-drive away. The shuttle costs about \$40 each way.

Accommodation

There is a wide array of hotels, Bed & Breakfast places, and AirBnBs in San Miguel de Allende. The prices are less than what you would pay for comparable accommodation in the US. I will be happy to assist you with booking.

The Cultural Program

The Parroquia in San Miguel de Allende

Complementing our scientific program, we will explore some of the treasures of San Miguel de Allende.

San Miguel has been my home since the fall of 2021, and honestly, I can't wait to share it with you. This picturesque town is known for its baroque churches and tasty regional food.

What captivated me was the slow pace of life, the stunning architecture, the high-desert flora, and most of all, the colors and people of Mexico.

If you are up for it, we can walk the cobblestone-lined streets of historic, colonial downtown. San Miguel has an abundance of art galleries, murals, sculptures, and fashion stores. The music and theatre scene is thriving, and we may be able to catch a wonderful show or performance. It is all up to what the participants like. Maybe you want to dance Salsa or Tango?

Many restaurants offer excellent food and a lovely ambiance with a reasonable price tag. Let's treat our stomachs to delicious food nourishing our brains and keeping our spirits high. "Provecho", as we say in Mexico. It is equivalent to "enjoy" or "bon appetit".
